

Skyline Electrical Systems Celebrates Grand Opening in Palmer

Palmer, MA, August 18, 2026 – Skyline Electrical Systems, a new business that specializes in building automation controls, HVAC electrical service, security and life safety system installations and service throughout Massachusetts and Connecticut, in conjunction with the Quaboag Hills Chamber of Commerce has announced the grand opening of Skyline’s office location at 1420 Main Street in Palmer and will conduct a special ribbon cutting event with area business and civic leaders on Thursday, August 27 at 4pm.

Skyline Electrical Systems co-founders, Dan Gomes and Jim Parenteau, have over fifty years of combined experience in both the electrical and building automation industry. Both Jim and Dan graduated from regional vocational high schools for Electrical Wiring in 1998. Dan pursued degrees at Springfield Technical Community College and American International College in Energy Systems Technology and Business with his career in the building automation industry spanning more than twenty-five years. While Jim acquired electrical licenses throughout New England and has led many complex projects within the industry over his twenty-five plus-year career.

“We are excited to bring our cutting-edge automation systems to the area for smarter, and more efficient buildings and operations”, stated Gomes and Parenteau in a joint statement. “No job or project is too complex or modest, and we look forward to meeting and working with local businesses, as well as homeowners to perform electrical work in both the commercial and residential markets.”

“The Quaboag Hills Chamber is thrilled to welcome Skyline Electrical Systems to the region”, said James Przypek, Chief Executive Officer of the Chamber. “We are especially appreciative to co-owners Dan Gomes and Jim Parenteau for bringing their expertise, vision and dedication to the Quaboag Hills communities, and for selecting Palmer to be their home base of operations.”

The ribbon cutting event will feature presentations from local and elected officials, plus Quaboag Hills Chamber representatives.

Skyline Electrical Systems can be found online at skylineelectricalsystems.com, and contacted via email at info@skylineelectricalsystems.com, or by phone at (413) 316-4466.
